SBD GRANT APPLICATION GUIDELINES

The SBD Grant application process is intended to create a fair and transparent process for applicants and to ensure accountabilities for all parties. The Small Business Development Grant Program can support business development, capital and operating, marketing, and on-going business support costs (including costs to support BRFN contractors). BRFN reserves the right to cancel funding at its own discretion. Members can only apply for the grant once to give all members a chance at applying for this grant. There is only a finite amount of funds that are invested in this program every fiscal year and the funding regarding this program resets every March 31st. There are no deadlines for this application process and the Big River First Nation Small Business Grant Program is now considered open call. Once the funds are expended for the respectful year, applicants will be advised to reapply for the next fiscal year. 10% of the grant funds will be held back until a report is submitted in regards to use of funds.
